### Elliptec has a new sales partner in Korea

*Dortmund, 29<sup>th</sup> November, 2005:* Since November 1st, 2005 Elliptec Resonant Actuator AG has a new competent sales partner in Korea, Korea Business Services Ltd.

Korea Business Services Ltd., short KBS, was founded in 2000 and is for the Elliptec a perfect partner for intensifying existing and establishing new contacts in the Korean market.

KBS falls back on comprehensive experiences and networked co-operations from different businesses like medicine, industry and consumer electronics.

Elliptec AG was founded in 2001 by a developer team of Siemens AG. Today Elliptec AG manufactures its low-cost piezoelectric motors and actuators in Dortmund. Elliptec AG also offers engineering and system integration services for customer goods, industrial electronics, and toys, but also for automotive applications and medical technologies. Elliptec AG currently has 26 employees and carries the DIN EN ISO 9001:2000 Certification (issued in December 2004) for standard of quality and quality control.
